FOREWORD

Section 215.32, Florida Statutes, provides that financial operations of the State of Florida covering all receipts and expenditures be maintained through the use of three funds, namely:

General Revenue—

(a) The General Revenue Fund shall consist of all moneys received by the State from every source whatsoever, except as provided in paragraphs (b) and (c) of this subsection. Said moneys shall be expended pursuant to general revenue fund appropriation acts or transferred as provided in paragraph (c) of this subsection.

Trust—

(b) 1. The trust funds shall consist of moneys received by the state which under law or under trust agreement are segregated for a purpose authorized by law. The budget commission shall have the power and authority to approve the establishment of any trust fund it deems necessary to preserve the integrity of any moneys received or collected by a state agency for a specific use or purpose authorized by law. The state agency receiving or collecting such moneys shall be responsible for their proper expenditure as provided by law.

Working Capital—

(c) The Working Capital Fund shall consist of not more than fifty million dollars which shall be accrued from moneys in the General Revenue Fund which are in excess of the amount needed to meet the General Revenue Fund appropriation act as determined by the Comptroller; said moneys shall be used as a revolving fund for transfers as provided by Section 215.18, and when the comptroller determines that said moneys are not needed for that purpose they may be temporarily invested as provided in Sections 215.44-54.

Unless otherwise provided by law, the disbursement of moneys from all three funds will, in accordance with Chapter 216, Florida Statutes, be subject to approval of the State Budget Commission. This commission is composed of the Governor, Comptroller, Treasurer, Attorney General, Secretary of State, Commissioner of Agriculture, and Superintendent of Public Instruction.

Chapter 17, Florida Statutes, provides the Comptroller shall, as the State's disbursing officer:

"examine, audit, adjust and settle the accounts of all officers of this state," and "prescribe the forms of all papers, vouchers, reports, returns, and the manner of keeping the accounts and papers to be used by the officers of this state." The Comptroller may also *"erase from any original account all items disallowed by him."*

As provided by Section 215.01, Florida Statutes, for a fiscal year beginning on the first day of July and ending on the thirtieth day of June the following year, all exhibits, schedules or statements shown in this report cover the period July 1, 1967 to June 30, 1968, unless otherwise indicated.

Additional information on financial requirements insofar as receipts, disbursements, or any transaction affecting a State account are concerned may be obtained from the Comptroller's "Operating Procedures of the General Accounting Division."
